Acknowledgement That Infinity Insurance Company Offers Multiple Programs

My broker-agent has explained to me that Infinity Insurance Company offers insurance policies through two programs. The two programs, **Special** and **RSVP**, have price and coverage differences designed to meet individual needs. I understand that Infinity Insurance Company's explanation below represents only some of the differences in the two programs' coverages and conditions. I understand I may ask my broker-agent to explain any other coverage distinctions not appearing below that might apply to my situation.

Bodily Injury Limits -- Special offers Bodily Injury limits up to $100,000 per person/$300,000 per accident, while **RSVP's** maximum limits are $25,000 per person/$50,000 per accident. In the **Special** and **RSVP** Programs, the Bodily Injury and Property Damage limits will be reduced to the state statutory limits of Bodily Injury $15,000 per person/$30,000 per accident and Property Damage $5,000 per accident in the event a permissive user is driving the vehicle.

Replacement Autos -- The **RSVP** and **Special** policies provide uninterrupted liability coverage for a replacement auto if Infinity Insurance Company is notified within 30 days from the date of acquisition of a replacement auto. If the auto being replaced on the policy has physical damage coverage, **RSVP** and **Special** policies require that Infinity Insurance Company is notified within 5 days from the date of acquisition of the replacement auto for physical damage coverage to continue.

Newly Acquired Autos -- The **Special** Policy provides uninterrupted liability coverage for a newly acquired auto if Infinity Insurance Company is notified within 14 days from the date of acquisition of the newly acquired auto. If any auto on the policy has physical damage coverage, the **Special** Policy requires that Infinity Insurance Company is notified within 4 days from the date of acquisition of the newly acquired auto for physical damage coverage to continue. The **RSVP** Policy does not provide uninterrupted coverage for newly acquired autos.

RSVP has a provision for choosing repair shops that Infinity Insurance Company recommends. This is important in two respects:

(1) **RSVP** provides for two levels of repair cost coverage. If a policyholder chooses a repair shop, Infinity Insurance Company will cover 80% of the fair and reasonable charges of that shop, less the deductible. If a policyholder chooses a repair shop that is recommended by Infinity Insurance Company, Infinity Insurance Company will cover 100% of that shop's repair charges, less the deductible.

(2) Infinity Insurance Company guarantees repairs performed by recommended repair shops as long as the policyholder owns the auto. Infinity Insurance Company does not guarantee repairs by repair shops they do not recommend, although such shops may offer guarantees of their own.

Special provides for payment of 100% of the fair and reasonable repair charges less the deductible, regardless of whether a policyholder chooses a recommended repair shop.

RSVP contains a Mandatory Binding Arbitration clause. This means that in the event of a dispute between the policy holder and Infinity Insurance Company, the two parties will not sue each other, but will settle their disputes through arbitration. **Special** only requires arbitration if a dispute arises under Part C of the policy.

By signing below I acknowledge that the differences in Special and RSVP coverages and costs that are important to me have been fully explained by my broker-agent. I have been provided with premium quotes for the Special and RSVP programs for which I qualify, and the program I have chosen is selected below. I understand that if I want other price quotes I may make such requests to my broker-agent or to Infinity Insurance Company (toll free (800) 782-1020).

REVIEW OF UNINSURED MOTORISTS COVERAGE

1. Uninsured Motorist Bodily Injury coverage provides that if you suffer bodily injury or sickness, including death, resulting from an accident with a hit and run driver or a person who does not carry liability insurance, and if he or she is at fault, you may make claim against your own insurance company for general damages and special damages rather than against the uninsured motorist.

2. Uninsured Motorists Property Damage coverage provides that if your insured car is damaged from a collision with an identified uninsured motor vehicle, then you may make claim directly against your own insurance company for the property damage to your insured car as long as you are legally entitled to collect from the owner or operator of the uninsured vehicle. The limit of liability is $3,500 for one automobile damaged in one accident. Subject to the maximum limit of liability, your insurance company will pay you the actual cash value of your insured car or the amount necessary to repair or replace it, whichever is less. This coverage is available only if you are covered for Uninsured Motorist Bodily Injury coverage and your insured car is not covered for collision coverage. A $100 deductible applies.

3. Uninsured Motorists Collision Deductible Waiver coverage provides that if your insured car is damaged as the result of direct physical contact with an identified uninsured motor vehicle then your deductible under collision coverage will be waived. This coverage is available only if you are covered for Uninsured Motorists Bodily Injury coverage and your insured car is covered for collision coverage.

AGREEMENT TO COMPLETELY DELETE UNINSURED MOTORISTS COVERAGE FROM THIS POLICY FORM #01213R1004

Section 11580.2(2) of the California Insurance Code reads: "The California Insurance Code requires an insurer to provide uninsured motorists coverage in each bodily injury liability insurance policy it issues covering liability arising out of the ownership, maintenance, or use of a motor vehicle. Those provisions also permit the insurer and the applicant to delete the coverage completely or to delete the coverage when a motor vehicle is operated by a natural person or persons designated by name. Uninsured motorists coverage insures the insured, his or her heirs, or legal representatives for all sums within the limits established by law, which the person or persons are legally entitled to recover as damages for bodily injury, including any resulting sickness, disease, or death, to the insured from the owner or operator of an uninsured motor vehicle not owned or operated by the insured or a resident of the same household. An uninsured motor vehicle includes an underinsured motor vehicle as defined in subdivision(p) of Section 11580.2 of the Insurance Code."

I have read and understand the above and in accordance with the provisions of Sections 11580.2 and 11580.26 of the California Insurance Code which permit me and the Company to delete uninsured motorists coverage (reviewed above) completely from the policy, I hereby agree with the Company that the provision in the policy covering bodily injury and property damage caused by an uninsured motor vehicle is deleted completely from the policy and that the policy does not and will not afford any coverage for bodily injury or property damage caused by an uninsured motor vehicle.

I also fully understand and agree with the Company that since I have elected not to accept Uninsured Motorists coverage, the Uninsured Motorists Property Damage coverage (reviewed above) or the Uninsured Motorist Collision Deductible Waiver coverage (reviewed above) is not available to me. CAUTION: DO NOT SIGN THIS AGREEMENT UNTIL YOU HAVE READ AND UNDERSTAND IT. BY SIGNING HERE, I ELECT NOT TO ACCEPT UNINSURED MOTORISTS COVERAGE.
